Ashmore AIR CONDITIONING

FAMILY OWNED & OPERATED
LARGO, FL

THE ASHMORE COMFORT PLAN

NEVER SWEAT A SUMMER BREAKDOWN AGAIN.

Two pro tune-ups a year, **free drain line clearing, a free capacitor if yours fails,** and front-of-the-line service — so your AC runs cooler, lasts longer, and won't quit when it's 95° out.

THE TWO MOST COMMON FLORIDA AC SERVICE CALLS — COVERED

FREE A ~~$189~~ SERVICE CALL

DRAIN LINE CLEARING

Your AC pulls gallons of water out of the air every day. When algae clogs the drain line, water backs up — **shutting your system down or leaking into your ceiling.** We flush & treat it at every tune-up, and if it clogs, **we come clear it free.**

FREE A ~~$229~~ REPAIR

CAPACITOR REPLACEMENT

The capacitor is the part that gives your AC's motors the jolt to start. It's **the most common part to fail in Florida heat** — and when it goes, your AC stops cooling. If yours fails, **we replace it free — parts and labor.**

Free drain clearing and capacitor benefits begin after your first plan tune-up. Full plan terms on the back.
